

### **What property owners say about Heidi Richards:**

*We have found Heidi Richards Property Management to be extremely professional and most helpful with providing timely effective communication and resource loading to ensure maximum return on our investments. **Lorry Tigner & Horst Richter, Petolia, Ontario***

*Heidi has managed several rental properties for our company. She does routine checks, collects rents, keeps homes well maintained, and periodically evicts delinquent tenants. Heidi has been a great asset to our company. **T & A Construction***

*Heidi Richards is a committed professional. She has managed our properties expertly and has provided us with effective, hassle-free service for many years. **Nancy and Doug Johnson, Syracuse, NY***

*Heidi Richards has expertise and background in rental management that provides landlords with “no worries” management. From a landlord perspective, I find she is knowledgeable and works well with all aspects of rental management. **Mary Ecker***

*I've been working with Heidi Richards for the past year. She has been by far the best manager I have worked with. She exceeds them all with her knowledge, credibility, honesty, and financial accuracy. If I were to hire a rental manager, it would be Heidi Richards. Heidi knows her stuff. **Penny Nelson***

*Heidi Richards has been managing my 10 homes in the Port Huron, MI area for almost 2 years. She does a wonderful job in a timely manner when it comes to dealing with my tenants. There have not been any problems when it comes to dealing with Heidi. I would highly recommend her to anyone seeking a manager for their homes or apartments. **Allen Hyslop, Post Falls, Idaho***

### **What tenants are saying about Heidi Richards:**

*Fantastic Landlord! I have rented from Heidi for almost 7 years now. She is very professional in her approach and in the way she has dealt with me and with any maintenance issues. **Heidi Smith***

*I have rented from Heidi Richards. She has been a good landlord. As long as you keep her in the loop and let her know what's going on, she will work with you on maintenance issues. **Heather Biscorner***
